

Student Code of Conduct

This form is available for downloading, adaptation and printing on school or district letterhead. See the inside back cover in this handbook for access and download instructions.

Each student agrees to:

- attend classes regularly and punctually
- be diligent in completing assignments and other requirements of the program
- co-operate with staff in and outside the classroom
- respect the rights and physical property of others, peers, teachers, support staff, and community
- make no remarks that are racist, sexist, homophobic, or sexually degrading
- demonstrate self discipline in words and actions within the program setting and as a representative of the program in other settings
- dress appropriately for all occasions
- keep the program premises clean and neat and refrain from wilful destruction of program or other property
- respond courteously to the reasonable requests and instructions of program staff
- treat visitors to the program with the same respect afforded members of staff
- handle conflict in a constructive and positive manner and refrain from all violence
- never possess or use drugs or weapons.

Consequences

The consequences for violation of the above will range from temporary to permanent removal from the program. Permanent removal would eliminate your chances of returning to the regular classroom.

Pledge

I will never bring a gun or other weapon to school.

I will never use a weapon to settle a personal problem or dispute.

I will use my influence with my friends to keep them from using weapons or violence to settle disputes.

My individual choices and actions, when multiplied by those of young people throughout the country, will make a difference. Together by honouring this pledge, we can reverse the violence and grow up in safety.
