

**Grade 3 and Grade 6 Assessments of Reading, Writing and Mathematics
First Month Summary of Results Using EQAO Public Data and Internal School Data
Identifying Key Areas**

Using “Participating Students”, Do The School’s Results Compare Positively or Negatively With The Province’s Results?

Place a checkmark (✓) in the appropriate space

	Positively	Negatively	Notes For Further Investigation
Reading			
Writing			
Mathematics			

Using “Participating Students”, Do The School’s Results Compare Positively or Negatively With The Board’s Results?

Reading			
Writing			
Mathematics			

What Is The Major Area Of Concern For All Students In The School?

From the “Participating Students” results, rank the level of concern for:

___ Reading

___ Writing

___ Mathematics

1 is the highest level of concern and 3 is the lowest.

Using Internal School Data, Do The School’s Females’ and Males’ Results Compare Positively or Negatively With The Province’s Results?

Place a checkmark (✓) in the appropriate space

Female	Positively	Negatively	Notes For Further Investigation
Reading			
Writing			
Mathematics			
Male			
Reading			
Writing			
Mathematics
