

All Resources Mail/Fax Order Form

This two page order form lists all the resources currently available from Data Based Directions.

A Teacher, Parent, Student or Other Individual can order a *Personal Copy* of a handbook for just \$37.95. The *Personal Copy* comes with limited photocopying rights. Photocopying of this handbook's contents and download files is permitted for personal use and for the students and parents of students in the purchaser's classroom. Additional photocopying (e.g., for other teachers or classrooms) requires a *School Master Copy* (see below). Payment for *Personal Copies* is by VISA, Mastercard or PayPal. Note that the School Administrator Resources listed on page 2 are not available for *Personal Copy* orders.

A School can order a *School Master Copy*. Only one copy is needed for the whole school. The *School Master Copy* allows unlimited in-school photocopying for all students, teachers, parents and school administrators in the school. The first copy ordered is \$64.95. Additional copies are \$24.95 each.

A District can obtain even better prices by ordering *School Master Copies* for schools in the district. Five to 10 *School Master Copies* (a minimum order is 5 copies) are just \$24.95 each. Eleven or more *School Master Copies* are just \$19.95 each.

This order is from an individual a school a district
